

GALDERMA

EST. 1981

Dating back to 1961, Galderma is now present in over 100 countries, with 35 affiliates and more than 6,000 employees and has an extensive product portfolio of medical solutions to treat a range of dermatological conditions. The company partners with health care professionals around the world to meet the skin health needs of people throughout their lifetime. Galderma is a leader in research and development of scientifically-defined and medically-proven solutions for the skin, hair and nails.
